Who We Are

MISSION To provide affordable, sustainable housing, in an engaged community for all persons ages 50 and up.

VISION Our hope is to inspire other communities to use the eco-village model for new developments, leading to a better quality of life for everyone.

PURPOSE We believe that eco-villages are the best way for people to live, work and have community.

VALUES Edgewood Ecovillage builds value at the **EDGES**. (based on Permaculture principle: “Everything happens at the edges”)

Eco-Friendly: Protecting our natural environment.
